Our world is filled with conflict, war and disasters. Jesus's promise is that he will send the Spirit if we love him and obey his commands. If you look closely up the TV scenes of these events you will see people offering a helping hand.

In the helping hands you can see this Spirit that Jesus promised at work. You can see God's Spirit at work in our midst, a Spirit of love, compassion and healing working through his disciple(s). Always look for the helpers and know you are seeing God at work.
