**PASTORS NOTE:** Each country has its national heroes. They are usually the Founding Fathers or heroic leaders in the struggle for freedom and self-determination. The stand for the values the country cherishes, keep the people together, and are taught to the children. Two heroes who captured the imagination of early Christians were the founders of the Church in Rome, Peter & Paul. Their dedication and heroism challenges and encourages us to follow their example today. Like them, we proclaim the Gospel by the way we live daily.

**FYI:** When announcing that we had hired Milissa Faust as our new DRE, I failed to mention that we hired her as part-time, 25 hours a week. She officially starts August 1<sup>st</sup>, but, true to her spirit, she is already hard at work.
