PASTORS NOTE: This weekend we have been celebrating our nations independence. It is a time to reflect upon the Blessings God has bestowed upon us as a people and nation. Hopefully you have taken time to give thanks to God for our having been spared from some of the bad weather around us, the earthquakes, flash floods and fires. Pray for those still suffering from natural and man made disasters. Remember that we are "...one nation, under God..." Some would have us ignore or omit this founding principle. Fight back! Keep God a part of relaxation at home and summer vacations, in the parks, on the lake, campgrounds, etc.
