

WEEKEND SERVER REQUEST FORM

Dear parent,

Your child has indicated to us that he or she would like to serve Mass on the weekends (Saturday evening and Sunday morning Masses). However, he or she is not currently on the weekend server list. We do not want to place servers on that list without a parent's permission. Please fill in the form below and return it to Deacon Steve¹. We realize that many prefer the 9:30 AM Mass, however we urgently need servers at the 4:00 PM Saturday evening Mass and the 7:30 AM Sunday morning Mass. This would be an excellent teaching moment in which your child can practice service before convenience. Please be generous in allowing your child to serve at various Mass times.

Thanks,

Deacon Steve
